

COVID-19 Visitor Questionnaire

The safety of our employees, customers and families remains a top priority at Geospace Technologies. We, along with our subsidiaries of Exile Technologies, Geospace Engineering Resources International, Geospace Offshore, and Quantum Technology Sciences, are diligently monitoring and following recommendations from the Centers for Disease Control and Prevention (CDC) as the coronavirus disease (COVID-19) outbreak continues to evolve and spread globally.

To help prevent the spread and reduce the potential risk of exposure of our employees and customers, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone at this facility. Please ensure you wear a face covering & practice social distancing during your visit. Thank you for your time.

Visitor's Name:

Visitor's Company:

Personal Phone #:

Name of Geospace Host:

Self-Declaration by Visitor

1. Have you returned from an International trip within the last 14 days?
 Yes No
2. Have you had close contact with or cared for someone diagnosed with COVID-19 within the last 14 days?
